

# Author's Accepted Manuscript

Degradation of pyridine and quinoline in aqueous solution by gamma radiation

Libing Chu, Shaoqing Yu, Jianlong Wang

PII: S0969-806X(17)30846-0  
DOI: <http://dx.doi.org/10.1016/j.radphyschem.2017.09.016>  
Reference: RPC7649

To appear in: *Radiation Physics and Chemistry*

Received date: 2 August 2017  
Revised date: 6 September 2017  
Accepted date: 12 September 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

## Degradation of pyridine and quinoline in aqueous solution by gamma radiation
