Epigenome dysregulation in cholangiocarcinoma

Colm J. O'Rourke, Patricia Munoz-Garrido, Esmeralda L. Aguayo, Jesper B. Andersen

PII: S0925-4439(17)30209-0
DOI: doi:[10.1016/j.bbadis.2017.06.014](https://doi.org/10.1016/j.bbadis.2017.06.014)
Reference: BBADIS 64797

To appear in: *BBA - Molecular Basis of Disease*

Received date: 10 May 2017
Accepted date: 18 June 2017

Please cite this article as: Colm J. O'Rourke, Patricia Munoz-Garrido, Esmeralda L. Aguayo, Jesper B. Andersen, Epigenome dysregulation in cholangiocarcinoma, *BBA - Molecular Basis of Disease* (2017), doi:[10.1016/j.bbadis.2017.06.014](https://doi.org/10.1016/j.bbadis.2017.06.014)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

EPIGENOME DYSREGULATION IN CHOLANGIOCARCINOMA

Colm J. O'Rourke*, Patricia Munoz-Garrido*, Esmeralda L. Aguayo and Jesper B. Andersen

Biotech Research & Innovation Centre (BRIC), Department of Health and Medical Sciences, University of Copenhagen, Ole Maaløes Vej 5, 2200, Copenhagen N, Denmark

*Authors contributed equally.

Corresponding author: Please address correspondence to Jesper B. Andersen, Andersen Group, BRIC at Email: jesper.andersen@bric.ku.dk, Phone: (+45) 35325834

Disclosure: The authors have nothing to disclose.

Financial & competing interests' disclosure: The authors have no relevant affiliations or financial involvement with any organization or entity with a financial interest in or financial conflict with the subject matter or materials discussed in this chapter. This includes employment, consultancies, honoraria, stock ownership or options, expert testimony, grants or patents received or pending, or royalties.

Grant support: JBA is supported by grants from the Novo Nordisk Foundation, Danish Cancer Society and Danish Medical Research Council. CJO has a Marie Skłodowska-Curie postdoctoral fellowship, 2016-2018. PMU has a European Association for the Study of the Liver (EASL) Sheila Sherlock fellowship, 2016 and a Marie Skłodowska-Curie postdoctoral fellowship, 2017-2019.
