miR-322 regulates insulin signaling pathway and protects against metabolic syndrome-induced cardiac dysfunction in mice

Alexandre Marchand, Fabrice Atassi, Nathalie Mougenot, Michel Clergue, Veronica Codoni, Jeremy Berthuin, Carole Proust, David-Alexandre Trégouët, Jean-Sébastien Hulot, Anne-Marie Lompré

PII: S0925-4439(16)00011-9
DOI: doi: [10.1016/j.bbadis.2016.01.010](https://doi.org/10.1016/j.bbadis.2016.01.010)
Reference: BBADIS 64407

To appear in: *BBA - Molecular Basis of Disease*

Received date: 28 August 2015
Revised date: 21 November 2015
Accepted date: 6 January 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
