Cell biology of the NCL proteins: What they do and don't do

Jaime Cárcel-Trullols, Attila D. Kovács, David A. Pearce

PII: S0925-4439(15)00145-3
DOI: doi: [10.1016/j.bbadis.2015.04.027](https://doi.org/10.1016/j.bbadis.2015.04.027)
Reference: BBADIS 64218

To appear in: *BBA - Molecular Basis of Disease*

Received date: 13 January 2015
Revised date: 23 April 2015
Accepted date: 24 April 2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Cell biology of the NCL proteins: what they do and don't do
