Post-stress metabolic trajectories in young and old flies

Hervé Colinet, David Renault

PII: S0531-5565(17)30514-4  
DOI: doi: [10.1016/j.exger.2017.08.021](https://doi.org/10.1016/j.exger.2017.08.021)  
Reference: EXG 10128  
To appear in: *Experimental Gerontology*  
Received date: 5 July 2017  
Revised date: ###REVISEDDATE###  
Accepted date: 15 August 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

## Post-stress metabolic trajectories in young and old flies
