Fragment-growing guided design of Keap1-Nrf2 protein-protein interaction inhibitors for targeting myocarditis

Ning Meng, Hua Tang, Hao Zhang, Chengshi Jiang, Li Su, Xiao Min, Wannian Zhang, Hua Zhang, Zhenyuan Miao, Wen Zhang, Chunlin Zhuang

PII: S0891-5849(18)30054-6
DOI: <https://doi.org/10.1016/j.freeradbiomed.2018.02.010>
Reference: FRB13619

To appear in: *Free Radical Biology and Medicine*

Received date: 4 January 2018
Revised date: 1 February 2018
Accepted date: 5 February 2018
