Nitric oxide diffusion to red blood cells limits extracellular, but not intraphagosomal, peroxynitrite formation by macrophages

Carolina Prolo, María Noel Álvarez, Natalia Ríos, Gonzalo Peluffo, Rafael Radi, Natalia Romero

PII: S0891-5849(15)00295-6
DOI: <http://dx.doi.org/10.1016/j.freeradbiomed.2015.06.027>
Reference: FRB12487

To appear in: *Free Radical Biology and Medicine*

Received date: 27 December 2014

Revised date: 19 May 2015

Accepted date: 9 June 2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting galley proof before it is published in its final citable form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Nitric oxide diffusion to red blood cells limits
extracellular, but not intraphagosomal,
peroxynitrite formation by macrophages**
