Funding statement:

This research received no specific grant from any funding agency in the public, commercial or not-for-profit sectors.

Competing interests statement:

Dr. Ricciardi, Dr. Ferrazzano, Dr. Demartini, Dr. Erro, Dr. Ganos and Prof Berardelli report no disclosures.

Dr. Morgante is member of the advisory boards of UCB pharma, Allergan and Lundbeck, has received honoraria from Allergan, Medtronic, UCB pharma, Lundbeck, Chiesi pharma, and serves in the editorial board of Frontiers Neurology

Prof Kailash P Bhatia:

Funding for travel from GlaxoSmithKline, Orion Corporation, Ipsen, and Merz Pharmaceuticals, LLC; serves on the editorial boards of Movement Disorders and Therapeutic Advances in Neurological Disorders; receives royalties from the publication of Oxford Specialist Handbook of Parkinson's Disease and Other Movement Disorders (Oxford University Press, 2008); received speaker honoraria from GlaxoSmithKline, Ipsen, Merz Pharmaceuticals, LLC, and Sun Pharmaceutical Industries Ltd.; personal compensation for scientific advisory board for GSK and Boehringer Ingelheim; received research support from Ipsen and from the Halley Stewart Trust through Dystonia Society UK, and the Wellcome Trust MRC strategic neurodegenerative disease initiative award (Ref. number WT089698), a grant from the Dystonia Coalition and a grant from Parkinson's UK (Ref. number G-10)

Prof Mark Edwards is funded by a fellowship awarded by the National Institute for Health Research and is supported by researchers at the National Institute for Health Research University College London Hospitals Biomedical Research Centre. He receives grant support from Parkinson's UK, the UK Dystonia Society, Bachmann Strauss Foundation.
