Accepted Manuscript

Role of DGAT enzymes in triacylglycerol metabolism

Bhumika Bhatt-Wessel, T. William Jordan, John H. Miller, Lifeng Peng

PII: S0003-9861(18)30190-5

DOI: 10.1016/j.abb.2018.08.001

Reference: YABBI 7788

To appear in: Archives of Biochemistry and Biophysics

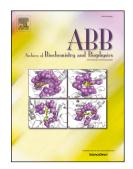

Received Date: 9 April 2018

Revised Date: 25 July 2018

Accepted Date: 2 August 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
