

## Accepted Manuscript

Herpesvirus-encoded microRNAs detected in human gingiva alter host cell transcriptome and regulate viral infection

Afsar R. Naqvi, Alexandra Seal, Jennifer Shango, Maria Brambila Navarette, Gloria Martinez, Gabriela Chapa, Shirin Hasan, Tejabhram Yadavalli, Dinesh Jaishankar, Deepak Shukla, Salvador Nares

PII: S1874-9399(17)30429-7  
DOI: doi:[10.1016/j.bbagr.2018.03.001](https://doi.org/10.1016/j.bbagr.2018.03.001)  
Reference: BBAGRM 1236

To appear in:

Received date: 5 December 2017  
Revised date: 22 February 2018  
Accepted date: 4 March 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
