

Accepted Manuscript

Protein neddylation and its alterations in human cancers for targeted therapy

Lisha Zhou, Wenjuan Zhang, Yi Sun, Lijun Jia

PII: S0898-6568(18)30014-7

DOI: <https://doi.org/10.1016/j.cellsig.2018.01.009>

Reference: CLS 9051

To appear in: *Cellular Signalling*

Received date: 14 October 2017

Revised date: 27 December 2017

Accepted date: 8 January 2018

Please cite this article as: Lisha Zhou, Wenjuan Zhang, Yi Sun, Lijun Jia , Protein neddylation and its alterations in human cancers for targeted therapy. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Cls(2017), <https://doi.org/10.1016/j.cellsig.2018.01.009>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
