

Accepted Manuscript

Title: Mechanically activated ion channels

Authors: Boris Martinac, Kate Poole

PII: S1357-2725(18)30039-6
DOI: <https://doi.org/10.1016/j.biocel.2018.02.011>
Reference: BC 5308

To appear in: *The International Journal of Biochemistry & Cell Biology*

Received date: 24-11-2017
Revised date: 31-1-2018
Accepted date: 14-2-2018

Please cite this article as: Martinac, Boris., & Poole, Kate., Mechanically activated ion channels. *International Journal of Biochemistry and Cell Biology* <https://doi.org/10.1016/j.biocel.2018.02.011>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Mechanically activated ion channels
