Title: Testosterone deficiency induced by progressive stages of diabetes mellitus impairs glucose metabolism and favors glycogenesis in mature rat Sertoli cells

Author: Luís Rato Marco G. Alves Ana I. Duarte Maria S. Santos Paula I. Moreira José E. Cavaco Pedro F. Oliveira

PII: S1357-2725(15)00178-8
DOI: <http://dx.doi.org/doi:10.1016/j.biocel.2015.07.001>
Reference: BC 4657

To appear in: *The International Journal of Biochemistry & Cell Biology*

Received date: 6-1-2015
Revised date: 10-6-2015
Accepted date: 1-7-2015

F., Testosterone deficiency induced by progressive stages of diabetes mellitus impairs glucose metabolism and favors glycogenesis in mature rat Sertoli cells, *International Journal of Biochemistry and Cell Biology* (2015), <http://dx.doi.org/10.1016/j.biocel.2015.07.001>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 **Title:** Testosterone deficiency induced by progressive stages of diabetes mellitus
2 impairs glucose metabolism and favors glycogenesis in mature rat Sertoli cells
