Accepted Manuscript

Title: AKT Mediated Glycolytic Shift Regulates Autophagy in Classically Activated Macrophages

Author: Sumit Kumar Matta Dhiraj Kumar

PII: \$1357-2725(15)00195-8

DOI: http://dx.doi.org/doi:10.1016/j.biocel.2015.07.010

Reference: BC 4666

To appear in: The International Journal of Biochemistry & Cell Biology

Received date: 12-4-2015 Revised date: 17-6-2015 Accepted date: 23-7-2015

Please cite this article as: Matta, S. K., and Kumar, D., AKT Mediated Glycolytic Shift Regulates Autophagy in Classically Activated Macrophages, *International Journal of Biochemistry and Cell Biology* (2015), http://dx.doi.org/10.1016/j.biocel.2015.07.010

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
