Title: Characterization and utilization of hydroxypropylated rice starches for improving textural and storage properties of rice puddings

Authors: Abeera Moin, Tahira Mohsin Ali, Abid Hasnain

PII: S0141-8130(17)31394-6
DOI: <http://dx.doi.org/doi:10.1016/j.ijbiomac.2017.07.109>
Reference: BIOMAC 7917

To appear in: *International Journal of Biological Macromolecules*

Received date: 18-4-2017
Revised date: 6-7-2017
Accepted date: 17-7-2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Characterization and utilization of hydroxypropylated rice starches for improving textural and storage properties of rice puddings.

Running Title: Puddings with improved storage stability using modified starches.
