Fatty Acylation of Proteins: The Long and the Short of it

Marilyn D. Resh

PII: S0163-7827(16)30014-5
DOI: doi: [10.1016/j.plipres.2016.05.002](https://doi.org/10.1016/j.plipres.2016.05.002)
Reference: JPLR 916

To appear in:

Received date: 1 April 2016
Revised date: 19 May 2016
Accepted date: 21 May 2016

Please cite this article as: Resh Marilyn D., Fatty Acylation of Proteins: The Long and the Short of it, (2016), doi: [10.1016/j.plipres.2016.05.002](https://doi.org/10.1016/j.plipres.2016.05.002)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Progress in Lipid Research Review

Fatty Acylation of Proteins: The Long and the Short of it
