Review

Dual effects of the fatty acid receptor 'GPR40' for human health

Tetsumori Yamashima

PII: S0163-7827(15)00003-X

DOI: <http://dx.doi.org/10.1016/j.plipres.2015.01.002>

Reference: JPLR 869

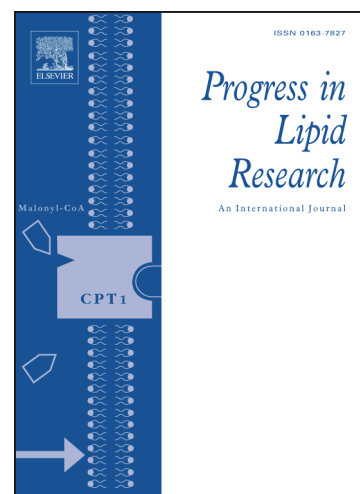

To appear in: *Progress in Lipid Research*

Received Date: 4 April 2014

Accepted Date: 12 January 2015

Please cite this article as: Yamashima, T., Dual effects of the fatty acid receptor 'GPR40' for human health, *Progress in Lipid Research* (2015), doi: <http://dx.doi.org/10.1016/j.plipres.2015.01.002>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
