Expression and purification of polioviral proteins in *E. coli*, and production of antisera as reagents for immunological assays

Madala Uma, P.P. Rao, K. Nagalekshmi, N.R. Hegde

PII: S1046-5928(16)30177-2

DOI: [10.1016/j.pep.2016.08.014](https://doi.org/10.1016/j.pep.2016.08.014)

Reference: YPREP 4986

To appear in: *Protein Expression and Purification*

Received Date: 8 June 2016

Revised Date: 19 August 2016

Accepted Date: 22 August 2016

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 **Expression and purification of polioviral proteins in *E. coli*, and**
2 **production of antisera as reagents for immunological assays**
