

## Accepted Manuscript

Review

Microbial biotransformation of bioactive and clinically useful steroids and some salient features of steroids and biotransformation

Nighat Sultana

PII: S0039-128X(18)30015-1

DOI: <https://doi.org/10.1016/j.steroids.2018.01.007>

Reference: STE 8220

To appear in: *Steroids*

Received Date: 8 April 2017

Revised Date: 16 December 2017

Accepted Date: 16 January 2018

Please cite this article as: Sultana, N., Microbial biotransformation of bioactive and clinically useful steroids and some salient features of steroids and biotransformation, *Steroids* (2018), doi: <https://doi.org/10.1016/j.steroids.2018.01.007>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# Microbial biotransformation of bioactive and clinically useful steroids and some salient features of steroids and biotransformation
