

Accepted Manuscript

Attenuation of Antimicrobial Activity by the Human Steroid Hormones

Balbina J. Plotkin, Monika I. Konakleiva

PII: S0039-128X(17)30174-5

DOI: <https://doi.org/10.1016/j.steroids.2017.09.007>

Reference: STE 8158

To appear in: *Steroids*

Received Date: 20 July 2017

Revised Date: 28 August 2017

Accepted Date: 20 September 2017

Please cite this article as: Plotkin, B.J., Konakleiva, M.I., Attenuation of Antimicrobial Activity by the Human Steroid Hormones, *Steroids* (2017), doi: <https://doi.org/10.1016/j.steroids.2017.09.007>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Attenuation of Antimicrobial Activity by the Human Steroid Hormones

Balbina J. Plotkin^{1*} and Monika I. Konakleiva²
