

## Accepted Manuscript

Title: Studies on the in vitro cultivation of ciliate protozoa from the kangaroo forestomach

Author: Burk A. Dehority André-Denis G. Wright

PII: S0932-4739(14)00034-0

DOI: <http://dx.doi.org/doi:10.1016/j.ejop.2014.04.001>

Reference: EJOP 25332

To appear in:

Received date: 25-2-2014

Revised date: 4-4-2014

Accepted date: 5-4-2014

Please cite this article as: Dehority, B.A., Wright, A.-D.G., Studies on the in vitro cultivation of ciliate protozoa from the kangaroo forestomach, *European Journal of Protistology* (2014), <http://dx.doi.org/10.1016/j.ejop.2014.04.001>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

# Studies on the *in vitro* cultivation of ciliate protozoa from the kangaroo forestomach
