Title: The role of serum proteins in *Staphylococcus aureus* adhesion to ethylene glycol coated surfaces

Author: Swen Schuster Wenqi Yu Mulugeta Nega Ya-Yun
Chu Stefan Zorn Fajun Zhang Friedrich Götz Frank Schreiber

PII: S1438-4221(14)00064-2
DOI: <http://dx.doi.org/doi:10.1016/j.ijmm.2014.05.012>
Reference: IJMM 50836

To appear in:

Received date: 10-6-2013
Revised date: 24-3-2014
Accepted date: 31-5-2014

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 The role of serum proteins in *Staphylococcus aureus* adhesion
2 to ethylene glycol coated surfaces
