Title: Differences in gene expression between natural and artificially induced leaf senescence in barley

Author: Armin Springer Georg Acker Sandra Bartsch Heike Bauerschmitt Steffen Reinbothe Christiane Reinbothe

PII: S0176-1617(15)00008-5
DOI: <http://dx.doi.org/doi:10.1016/j.jplph.2015.01.004>
Reference: JPLPH 52107

To appear in:

Received date: 27-11-2014
Revised date: 24-12-2014
Accepted date: 2-1-2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Differences in gene expression between natural and artificially induced leaf senescence in barley
