This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Synergistic interactions of Angiotensin Converting Enzyme (*ACE*) gene and Apolipoprotein E (*APOE*) gene polymorphisms with T1DM susceptibility in south India

Running Title: Association of *ACE* & *APOE* with T1DM

Padma-Malini Ravi^a, Rathika Chinniah^a, Ramgopal Sivanadham^a, Murali Vijayan^b, Dharmarajan Pannerselvam^c, Pushkala S^d and Balakrishnan Karupiah^{a,*}
