Nanopharmaceuticals for wound healing –Lost in translation?

Mukul Ashtikar, Matthias G. Wacker

PII: S0169-409X(18)30044-9
DOI: doi:[10.1016/j.addr.2018.03.005](https://doi.org/10.1016/j.addr.2018.03.005)
Reference: ADR 13273

To appear in: *Advanced Drug Delivery Reviews*

Received date: 29 September 2017

Revised date: 19 February 2018

Accepted date: 13 March 2018

Please cite this article as: Mukul Ashtikar, Matthias G. Wacker , Nanopharmaceuticals for wound healing –Lost in translation?. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. *Adr*(2018), doi:[10.1016/j.addr.2018.03.005](https://doi.org/10.1016/j.addr.2018.03.005)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Nanopharmaceuticals for wound healing –Lost in translation?
