Accepted Manuscript

Comparative ovarian function and reproductive monitoring of endangered mammals

Janine L. Brown

PII: S0093-691X(17)30590-3

DOI: 10.1016/j.theriogenology.2017.12.004

Reference: THE 14374

To appear in: Theriogenology

Received Date: 1 December 2017

Accepted Date: 1 December 2017

Please cite this article as: Brown JL, Comparative ovarian function and reproductive monitoring of endangered mammals, *Theriogenology* (2018), doi: 10.1016/j.theriogenology.2017.12.004.

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
