This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Nimbolide reduces CD44 positive cell population and induces mitochondrial apoptosis in pancreatic cancer cells

Sandeep Kumar^{1#}, Joseph R. Inigo^{1#}, Rahul Kumar¹, Ajay K. Chaudhary¹, Jordan O'Malley¹, Srimitha Balachandar¹, Jianmin Wang², Kristopher Attwood³, Neelu Yadav¹, Steven Hochwald⁴, Xinjiang Wang¹, and Dhyan Chandra^{1*}
