

## Accepted Manuscript

Title: Replication stress in mitochondria

Author: Miria Ricchetti

PII: S0027-5107(17)30143-4

DOI: <https://doi.org/10.1016/j.mrfmmm.2018.01.005>

Reference: MUT 11635

To appear in: *Mutation Research*

Received date: 8-8-2017

Revised date: 22-1-2018

Accepted date: 30-1-2018

Please cite this article as: Miria Ricchetti, Replication stress in mitochondria, Mutation Research/Fundamental and Molecular Mechanisms of Mutagenesis <https://doi.org/10.1016/j.mrfmmm.2018.01.005>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
