

## Accepted Manuscript

Title: Effects of in-office bleaching on human enamel and dentin. Morphological and mineral changes

Authors: Carmen Llana, Irene Esteve, Leopoldo Forner

PII: S0940-9602(18)30013-X  
DOI: <https://doi.org/10.1016/j.aanat.2018.01.003>  
Reference: AANAT 51222

To appear in:

Received date: 25-10-2017  
Revised date: 17-12-2017  
Accepted date: 23-1-2018

Please cite this article as: Llana, Carmen, Esteve, Irene, Forner, Leopoldo, Effects of in-office bleaching on human enamel and dentin. Morphological and mineral changes. *Annals of Anatomy* <https://doi.org/10.1016/j.aanat.2018.01.003>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Effects of in-office bleaching on human enamel and dentin. Morphological and mineral changes.**

**Mineral and morphological changes in enamel and dentin**

Carmen Llena MD, DDS, PhD\*

Irene Esteve DDS

Leopoldo Forner MD, DDS, PhD
