

Accepted Manuscript

Survival of mature mouse olfactory sensory neurons labeled genetically perinatally

Anna-Maria Holl

PII: S1044-7431(16)30243-3
DOI: <https://doi.org/10.1016/j.mcn.2018.02.005>
Reference: YMCNE 3281
To appear in: *Molecular and Cellular Neuroscience*
Received date: 16 November 2016
Revised date: 2 May 2017
Accepted date: 6 February 2018

Please cite this article as: Anna-Maria Holl , Survival of mature mouse olfactory sensory neurons labeled genetically perinatally. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Ymcne(2017), <https://doi.org/10.1016/j.mcn.2018.02.005>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Survival of mature mouse olfactory sensory neurons labeled genetically perinatally
