Title: Paramutation in evolution, population genetics and breeding

Author: Nathan M Springer Karen M McGinnis

PII: S1084-9521(15)00154-8

DOI: <http://dx.doi.org/doi:10.1016/j.semcdb.2015.08.010>

Reference: YSCDB 1799

To appear in: *Seminars in Cell & Developmental Biology*

Received date: 4-2-2015

Accepted date: 18-8-2015

Please cite this article as: Springer NM, McGinnis KM, Paramutation in evolution, population genetics and breeding, *Seminars in Cell and Developmental Biology* (2015), <http://dx.doi.org/10.1016/j.semcdb.2015.08.010>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Paramutation in evolution, population genetics and breeding
