Title: Autophagy in neurodegenerative diseases: from pathogenic dysfunction to therapeutic modulation

Author: Marta Martinez-Vicente

PII: S1084-9521(15)00048-8

DOI: <http://dx.doi.org/doi:10.1016/j.semcdb.2015.03.005>

Reference: YSCDB 1745

To appear in: *Seminars in Cell & Developmental Biology*

Received date: 3-2-2015

Revised date: 5-3-2015

Accepted date: 6-3-2015

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
