Title: Adaptive coloration in amphibians

Author: Andreas Rudh Anna Qvarnström

PII: S1084-9521(13)00070-0

DOI: <http://dx.doi.org/doi:10.1016/j.semcdb.2013.05.004>

Reference: YSCDB 1451

To appear in: *Seminars in Cell & Developmental Biology*

Received date: 14-12-2012

Revised date: 12-4-2013

Accepted date: 1-5-2013

Please cite this article as: Rudh A, Qvarnström A, Adaptive coloration in amphibians, *Seminars in Cell and Developmental Biology* (2013), <http://dx.doi.org/10.1016/j.semcdb.2013.05.004>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
