This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Stimulation of early placental development through a trophoblast-endometrial dialogue

Graham J Burton

Centre for Trophoblast Research, Department of Physiology, Development and Neuroscience, University of Cambridge, Cambridge, UK

Short title: Placental development

Key words: Placenta, endometrium, early pregnancy, trophoblast, implantation

Address for correspondence:

Professor GJ Burton,
Physiological Laboratory,
Downing Street,
Cambridge CB2 3EG
UK
