

## Accepted Manuscript

Title: Use of an in vitro gas production procedure to evaluate rumen slow-release urea products

Authors: Mauro Spanghero, Anna Nikulina, Federico Mason

PII: S0377-8401(17)31075-1

DOI: <https://doi.org/10.1016/j.anifeedsci.2017.12.017>

Reference: ANIFEE 13918

To appear in: *Animal Feed Science and Technology*

Received date: 24-8-2017

Revised date: 21-12-2017

Accepted date: 26-12-2017

Please cite this article as: Spanghero, Mauro, Nikulina, Anna, Mason, Federico, Use of an in vitro gas production procedure to evaluate rumen slow-release urea products. *Animal Feed Science and Technology* <https://doi.org/10.1016/j.anifeedsci.2017.12.017>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Use of an in vitro gas production procedure to evaluate rumen slow-release urea products**
