

## Accepted Manuscript

Development of PLGA nanoparticles loaded with clofazimine for oral delivery: Assessment of formulation variables and intestinal permeability

Luíse L. Chaves, Sofia A. Costa Lima, Alexandre C.C. Vieira, Luísa Barreiros, Marcela A. Segundo, Domingos Ferreira, Bruno Sarmiento, Salette Reis

PII: S0928-0987(17)30622-X

DOI: doi:[10.1016/j.ejps.2017.11.004](https://doi.org/10.1016/j.ejps.2017.11.004)

Reference: PHASCI 4293

To appear in: *European Journal of Pharmaceutical Sciences*

Received date: 14 August 2017

Revised date: 3 November 2017

Accepted date: 4 November 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
