Accepted Manuscript

Etoposide encapsulated functionalized mesoporous silica nanoparticles: Synthesis, characterization and effect of functionalization on dissolution kinetics in simulated and biorelevant media

Seema Saroj, Sadhana J. Rajput

PII: S1773-2247(17)30883-3

DOI: 10.1016/j.jddst.2017.11.020

Reference: JDDST 527

To appear in: Journal of Drug Delivery Science and Technology

Received Date: 11 October 2017

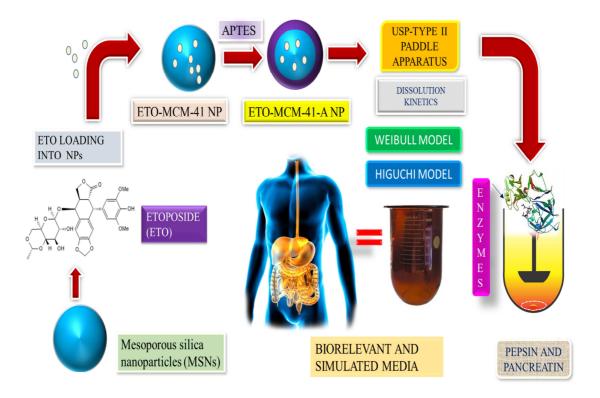

Revised Date: 14 November 2017

Accepted Date: 24 November 2017

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
