Activation of axon initial segmental GABA_A receptors inhibits action potential generation in neocortical GABAergic interneurons

Yanbo Jiang, Yujie Xiao, Xiaoxue Zhang, Yousheng Shu

PII: S0028-3908(18)30256-9
DOI: 10.1016/j.neuropharm.2018.05.026
Reference: NP 7203
To appear in: *Neuropharmacology*
Received Date: 18 February 2018
Accepted Date: 20 May 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

1 **Activation of axon initial segmental GABA_A receptors inhibits**
2 **action potential generation in neocortical GABAergic**
3 **interneurons**

4 **Running title: AIS GABA_A receptors inhibit firing of interneurons**
