

Accepted Manuscript

Human cellular models of medium spiny neuron development and Huntington disease

Monika M. Golas

PII: S0024-3205(18)30407-7
DOI: doi:[10.1016/j.lfs.2018.07.030](https://doi.org/10.1016/j.lfs.2018.07.030)
Reference: LFS 15817
To appear in: *Life Sciences*
Received date: 1 April 2018
Revised date: 22 June 2018
Accepted date: 17 July 2018

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Running head: Cellular medium spiny neuron models

Human cellular models of medium spiny neuron development and Huntington disease
