Title: Stress as risk factor for Alzheimer's disease

Authors: Alessandra Caruso, Ferdinando Nicoletti, Dalila Mango, Amira Saidi, Rosamaria Orlando, Sergio Scaccianoce

PII: S1043-6618(17)31685-7
DOI: <https://doi.org/10.1016/j.phrs.2018.04.017>
Reference: YPHRS 3883

To appear in: *Pharmacological Research*

Received date: 14-2-2018
Revised date: 18-4-2018
Accepted date: 18-4-2018

Please cite this article as: Caruso Alessandra, Nicoletti Ferdinando, Mango Dalila, Saidi Amira, Orlando Rosamaria, Scaccianoce Sergio. Stress as risk factor for Alzheimer's disease. *Pharmacological Research* <https://doi.org/10.1016/j.phrs.2018.04.017>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Stress as risk factor for Alzheimer's disease
