

## Accepted Manuscript

Title: Amino acid supplements in critically ill patients

Authors: Jan Gunst, Ilse Vanhorebeek, Steven E. Thiessen,  
Greet Van den Berghe

PII: S1043-6618(17)31186-6  
DOI: <https://doi.org/10.1016/j.phrs.2017.12.007>  
Reference: YPHRS 3758

To appear in: *Pharmacological Research*

Received date: 19-9-2017  
Revised date: 14-11-2017  
Accepted date: 5-12-2017

Please cite this article as: Gunst Jan, Vanhorebeek Ilse, Thiessen Steven E, Van den Berghe Greet. Amino acid supplements in critically ill patients. *Pharmacological Research* <https://doi.org/10.1016/j.phrs.2017.12.007>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Amino acid supplements in critically ill patients**
