## Accepted Manuscript

Title: The microbiome in chronic kidney disease patients undergoing hemodialysis and peritoneal dialysis

Authors: Liliana Simõ es-Silva, Ricardo Araujo, Manuel Pestana, Isabel Soares-Silva, Benedita Sampaio-Maia

PII: S1043-6618(17)31031-9

DOI: https://doi.org/10.1016/j.phrs.2018.02.011

Reference: YPHRS 3823

To appear in: Pharmacological Research

Received date: 26-8-2017 Revised date: 7-2-2018 Accepted date: 8-2-2018

Please cite this article as: Simõ es-Silva Liliana, Araujo Ricardo, Pestana Manuel, Soares-Silva Isabel, Sampaio-Maia Benedita. The microbiome in chronic kidney disease patients undergoing hemodialysis and peritoneal dialysis. *Pharmacological Research* https://doi.org/10.1016/j.phrs.2018.02.011

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Review manuscript

The microbiome in chronic kidney disease patients undergoing hemodialysis and

peritoneal dialysis
