Accepted Manuscript

Soluble epoxide hydrolase as a therapeutic target for pain, inflammatory and neurodegenerative diseases

Karen M. Wagner, Cindy B. McReynolds, William K. Schmidt, Bruce D. Hammock

 PII:
 S0163-7258(17)30154-7

 DOI:
 doi:10.1016/j.pharmthera.2017.06.006

 Reference:
 JPT 7089

To appear in:

Pharmacology and Therapeutics

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
