

## Accepted Manuscript

Membrane cholesterol delays cellular apoptosis induced by ginsenoside RH2, a steroid saponin

Sandrine L. Verstraeten, Marie Albert, Adrien Paquot, Giulio G. Muccioli, Donatienne Tyteca, Marie-Paule Mingeot-Leclercq

PII: S0041-008X(18)30219-9  
DOI: doi:[10.1016/j.taap.2018.05.014](https://doi.org/10.1016/j.taap.2018.05.014)  
Reference: YTAAP 14268  
To appear in: *Toxicology and Applied Pharmacology*  
Received date: 19 December 2017  
Revised date: 4 May 2018  
Accepted date: 14 May 2018

Muccioli, Donatienne Tyteca, Marie-Paule Mingeot-Leclercq, Membrane cholesterol delays cellular apoptosis induced by ginsenoside RH2, a steroid saponin. The address for the corresponding author was captured as affiliation for all authors. Please check if appropriate. Ytaap(2017), doi:[10.1016/j.taap.2018.05.014](https://doi.org/10.1016/j.taap.2018.05.014)

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
