

## Accepted Manuscript

Title: Triclosan and triclocarban exposure and thyroid function during pregnancy—A randomized intervention

Authors: Catherine Ley, Lauren Pischel, Julie Parsonnet

PII: S0890-6238(17)30162-4  
DOI: <http://dx.doi.org/10.1016/j.reprotox.2017.09.005>  
Reference: RTX 7582

To appear in: *Reproductive Toxicology*

Received date: 28-3-2017  
Revised date: 13-9-2017  
Accepted date: 18-9-2017

Please cite this article as: Ley Catherine, Pischel Lauren, Parsonnet Julie. Triclosan and triclocarban exposure and thyroid function during pregnancy—A randomized intervention. *Reproductive Toxicology* <http://dx.doi.org/10.1016/j.reprotox.2017.09.005>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

**Triclosan and triclocarban exposure and thyroid function during pregnancy – a randomized intervention**
