This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

TITLE PAGEEFFECT OF A LATERAL GLIDE MOBILISATION WITH MOVEMENT OF THE HIP ON  
VIBRATION THRESHOLD IN HEALTHY VOLUNTEERSAUTHORSLead (corresponding) author

Name: Darren A Smith MSc, PgD, BSc

Profession: Physiotherapy

Current appointment: Clinical Specialist Physiotherapist in Lower Limb, University Hospital Southampton

Degree/s: MSc in Physiotherapy; PgD in Manual Therapy

Work Address: Physiotherapy Department, University Hospital Southampton, Southampton General Hospital, Tremona Road, Southampton, Hampshire. SO16 6YD
