This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Assessing knowledge about acupuncture: a survey of people with back pain in the UK

Authors: Maddy Greville-Harris PhD,¹ John Hughes PhD,² George Lewith MRCGP,³ Christina Lioffi DPsych,¹ Peter White PhD,⁴ Cynthia A Graham PhD,¹ Felicity L Bishop PhD^{1*}

¹ Department of Psychology, University of Southampton, Southampton, UK

² Royal London Hospital for Integrated Medicine, UCLH NHS Trust, London, UK

³ School of Medicine, University of Southampton, Southampton, UK

⁴ Faculty of Health Sciences, University of Southampton, Southampton, UK

Corresponding author: Felicity L. Bishop, Centre for Applications of Health Psychology, Faculty of Social and Human Sciences, Building 44 Highfield Campus, University of Southampton, Southampton SO17 1BJ, UK (e-mail: f.l.bishop@southampton.ac.uk).

Word count: 2563

Sources of support: The study was funded by a grant from Arthritis Research UK (grant reference 20113).
