

Thanks to Our Reviewers

AS WITH ANY PEER-REVIEWED PUBLICATION, THE *JOURNAL OF THE ACADEMY OF NUTRITION AND DIETETICS* DEPENDS on a dedicated group of volunteer reviewers to evaluate the many manuscripts submitted each year. Once a year, the editor has the pleasure of recognizing these “behind-the-scenes” individuals, especially the Board of Editors, for their hard work. We appreciate the fact that these reviewers have all taken time out of their busy schedules to provide this help and to share their expertise. Thank you, reviewers! The following people reviewed manuscripts between **September 26, 2016 and September 20, 2017**.
