Title: Impact factor: an assessment tool for journals or for scientists?

Author: K. Slim A. Dupré B. Le Roy

PII: S2352-5568(17)30042-5

DOI: <http://dx.doi.org/doi:10.1016/j.accpm.2017.06.004>

Reference: ACCPM 259

To appear in:

Received date: 14-2-2017

Revised date: 23-5-2017

Accepted date: 5-6-2017

Please cite this article as: K. SlimA. DupréB. Le Roy Impact factor: an assessment tool for journals or for scientists? (2017), <http://dx.doi.org/10.1016/j.accpm.2017.06.004>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.

Impact factor: an assessment tool for journals or for scientists?

K. Slim¹, A. Dupré², B. Le Roy¹

1: Service de Chirurgie Digestive et Unité de Chirurgie Ambulatoire CHU Estaing, 63003 Clermont-Ferrand, France

2: Département de Chirurgie Oncologique, Centre Léon Bérard, 69008 Lyon

Correspondence: kslim@chu-clermontferrand.fr

Conflicts of interest:

K Slim is Editor-in-Chief of Original Articles for the Journal of Visceral Surgery (Elsevier Ed.)

A. Dupré and B. Le Roy declare no conflicts of interests.

Key words: metrics, impact factor, scientific research
