Prolonged neurological deficit following spinal anaesthesia

S. Samuel

PII: S0959-289X(18)30030-X

DOI: <https://doi.org/10.1016/j.ijoa.2018.02.005>

Reference: YIJOA 2655

To appear in: *International Journal of Obstetric Anesthesia*

Accepted Date: 15 February 2018

Please cite this article as: Samuel, S., Prolonged neurological deficit following spinal anaesthesia, *International Journal of Obstetric Anesthesia* (2018), doi: <https://doi.org/10.1016/j.ijoa.2018.02.005>

This is a PDF file of an unedited manuscript that has been accepted for publication. As a service to our customers we are providing this early version of the manuscript. The manuscript will undergo copyediting, typesetting, and review of the resulting proof before it is published in its final form. Please note that during the production process errors may be discovered which could affect the content, and all legal disclaimers that apply to the journal pertain.
